in abhishek-kumar-gupta

abhi-gupta2005

EDUCATION

Rustamji Institute of Technology (RJIT)

B.Tech in Information Technology

2024 – 2028

Gwalior, India

Army Public School, Kunraghat

Class XII (CBSE)

2023 – 2024

Gorakhpur, India

INTERNSHIP

Jawahar Navodaya Vidyalaya

Robotics Trainer

05 Nov 2025 – 27 Nov 2025

Nalanda, Bihar

- Trained students in **Arduino, sensors, and robotics fundamentals**.
- Mentored teams for competitions and conducted hands-on **embedded systems** sessions.

Motion Cut

Frontend Web Developer Intern

Remote

- Assisted in frontend development and UI improvements to increase **responsiveness**.
- Collaborated with development team on web features using **HTML, CSS, and JS**.

PROJECTS

Micromouse Autonomous Robot | C++, PID, Sensors

2025

- Designed high-speed autonomous maze-solving robot using **PID and path planning**.
- Integrated **VL53L0X sensors** and motor drivers for real-time maze navigation.

Autonomous Drone (Basic) | Flight Stabilization, Sensors

2024

- Implemented **basic flight stabilization concepts** and sensor fusion for steady flight.

Autonomous Utility Robot & RC Plane | Embedded C, CAD

2024

- Built optimized **Line Follower** systems and designed fixed-wing **RC aircraft**.

TECHNICAL SKILLS

Programming: C++, Python, Arduino, HTML, CSS, JavaScript, SQL

Hardware/Tools: Arduino, ESP, Raspberry Pi, PCB Design, CAD, 3D Printing, TB6612FNG

Domains: Robotics, Embedded Systems, AI/ML Fundamentals, IoT, Sensor Integration

ACHIEVEMENTS

1st Position | Micromouse, IIT Patna Celesta

2025

Idea Selected | Smart India Hackathon (SIH)

2024

7th Position | Micromouse, IIT Guwahati

2025

CERTIFICATIONS

- AI/ML Certification
- Oracle Cloud Infrastructure
- Big Data Analytics
- CAD & 3D Printing
- Google Certification
- Team Robolution Member
